OUTDOOR KITCHEN CHECKLIST

Fundamentals

☐ Built-In Grill

Brand: _____

Item ID #: _____

Notes/Price: _____

Benefit: If your outdoor kitchen is the attraction, then here's your star performer. You're hopefully going to be seeing a lot of each other!

☐ Access Doors

Brand: _____

Item ID #: _____

Notes/Price: _____

Benefit: Can you put a price on easy access to your gas plumbing and water lines? Yes. It's this much. Every cent spent here saves on frustration.

☐ Side Burner

Brand: _____

Item ID #: _____

Notes/Price: _____

Benefit: Simmering sauces. Warming dishes. Wok cooking, if you go for power. An entirely separate heating zone is a welcome bonus to any grill.

☐ Refrigerator

Brand: _____

Item ID #: _____

Notes/Price: _____

Purpose: Keep prepped food, side dishes, condiments and toppings, bar fruit, and even hors d'oeuvres right at hand for when you need them.

☐ Trash Bin

Brand: _____

Item ID #: _____

Notes/Price: _____

Purpose: The last thing an outdoor kitchen wants is stray trash or an unsightly waste can. Keep it all out of sight behind a closed door!

Safety Considerations:

Ventilation!

Ventilation doesn't only keep smoke and odor away from everyone's faces. It also vents discoloring, streaking fumes and grease off your surfaces — while funneling away burning heat from your outdoor kitchen. Very importantly, this keeps down chances of a fire hazard. Many local jurisdictions, in fact, outright require outdoor kitchen ventilation.

☐ Vent Hood *

Brand: _____

Item ID #: _____

Notes/Price: _____

Benefit: Leave the smoke for a BBQ smoker. Funnel that thick, billowing eyesore (in more ways than one) out of your kitchen with a vent hood!

☐ Insulated Grill Jacket *

Brand: _____

Item ID #: _____

Notes/Price: _____

Benefit: If any part of your grill island is combustible, these metallic fireproof shields aren't a suggestion — they're a necessity.

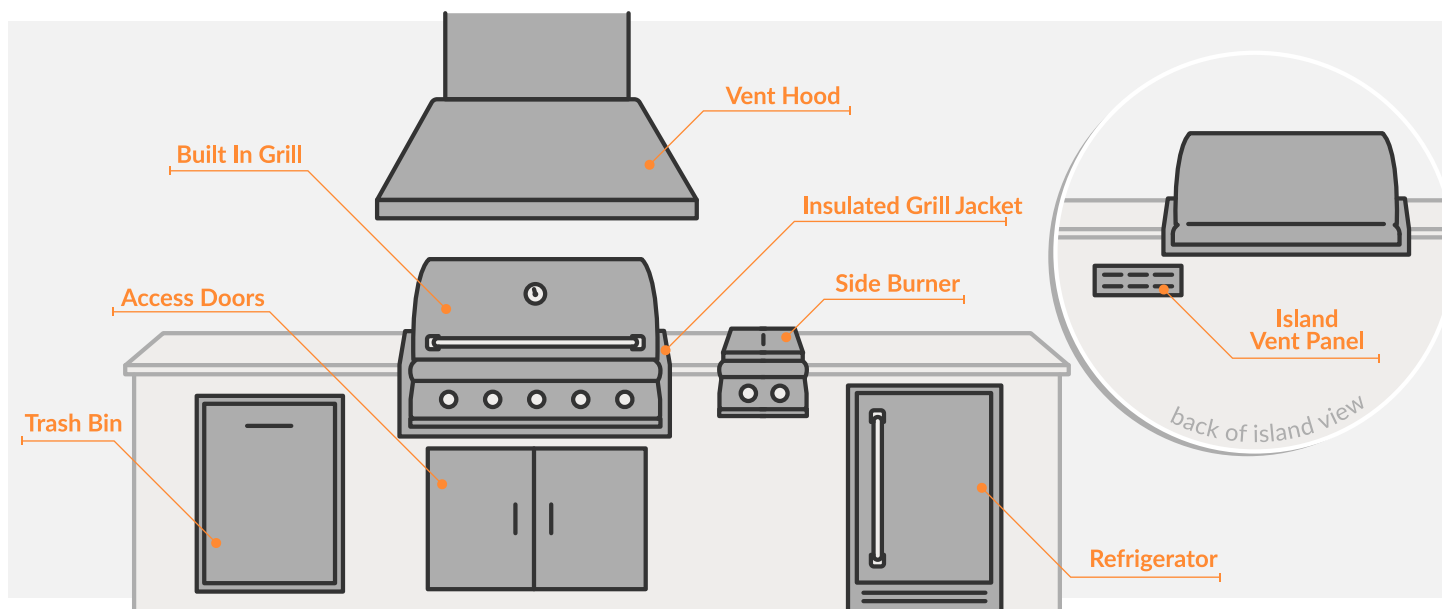

☐ Island Vent Panel *

Brand: _____

Item ID #: _____

Notes/Price: _____

Benefit: Ventilation: it's the single most important component to your outdoor kitchen. Extra panels only make it easier to keep that base covered.
