

Sedona 32" Gas Fire Column

With a durable, natural looking flagstone top and a faux stacked stone base, this fire pit will create a dramatic focal point and cozy gathering place for any outdoor living space. The Sedona 32" Fire Column, made of fiber-cast concrete, offers warmth and ambience with a maximum of 10,000 BTUs of heat. Features include adjustable flame height, lava rock filler and PVC cover. Uses 1lb propane tank, sold separately. Complete your outdoor space with a coordinating fire table, sold separately.
