Infra Roll Mant - Duraflame

This rolling mantel features a transitional design with locking casters for convenient mobility, anti-tipping counterweight and a realistic resin logs and ember bed. The 23" infrared quartz fireplace is capable of providing supplemental zone heating in a room up to 1,000 square feet. Infrared technology maintains a soft, moist, safe heat without reducing oxygen or humidity. The fireplace features energy-efficient LED Spectrafire™ Plus flame technology which offers five flame speed settings, allowing you to adjust from a fast roaring fire down to a gentle flickering flame. Five adjustable brightness settings allow you to pick the perfect brightness for the environment and ambiance, while five flame effect colors include Spectrafire, Sapphire, Amethyst, Campfire, Midnight Fire, and auto cycle. All Duraflame® electric fireplaces can be used with or without heat and are vent and smoke free, and are equipped with Safer Plug fire prevention technology - which means it can be safely installed in any room of your home – just plug it in and you're done. Remote control with 2 AAA batteries included to provide added convenience. No assembly required - the mantel ships assembled.
