

The 24" Convert-to-Gel Log Set #2609-O

Convert your existing gas or wood-burning fireplace into a Real Flame gel-fueled fireplace and never worry about hauling wood, messy ashes, or soot again! The six-piece realistic log set burns up to three cans of Real Flame gel fuel. Lift assembly allows for easy access to place and remove cans. This log set does not need venting, there is no need to open the flue, and can be used in dormant fireplaces.

Product Dimensions:
