26EF031GRP - SAFE PLUG INSERT

Electric Insert - ClassicFlame/Bell'O

Now you can have the warmth and ambiance of a fireplace all year long with the 26" electric fireplace insert by ClassicFlame. Capable of providing supplemental zone heating in a room up to 400 square feet, this electric fireplace will help to create a more comfortable environment in your home. The tempered glass-front features a traditional log set and ember bed. Spectrafire™ Plus flame effect technology offers 125 selectable flame effect options to create the perfect mood and ambiance for any style. Flame effect colors include Spectrafire, Sapphire, Amethyst, Campfire, Midnight Fire and auto cycle. Change the settings easily using the control panel on the unit or with the included remote control. All ClassicFlame electric fireplaces can be used with or without heat and are vent and smoke free. Use this electric fireplace worry free as it is equipped with Safer Plug fire prevention technology. Safer Plug continuously monitors temperature of the plug and shuts off automatically if temperatures become unsafe, preventing electrical fire, circuit or product damage. Insert can be used in conjunction with ClassicFlame mantels, TV stands with insert capacity or flush-mount trim kits (all sold separately).
