Williams

Infrared Quartz Powerheaters - Duraflame

The Williams features modern technology and contemporary design to warm your home in style. Six InfraRed Quartz Heating Elements provide plenty of heat to warm up to 1000 square feet, and the unit comes fully-assembled so it's ready to heat out of the box. Concealed casters allow you to take the heat with you wherever you go, while the included remote control allows you to control settings from afar.

Features

- Warms a room up to 1000 square feet
- Uses 6 InfraRed Quartz Heating Elements
- 5,200 BTUs. 1500 Watts, 12.5 Amps
