

7HM1000

1000 Watt Quartz Heater

Infrared Quartz Powerheaters - Duraflame

The 7HM1000 is a versatile heating solution perfect for any room of the house. This unit can warm up to 600 square feet, and with its concealed furniture quality casters it's easy to transport. The sleek Engineered Galvanized Black Steel Finish allow this unit to blend well with its surroundings while the brushed aluminum front strips add a touch of style. The unit comes fully assembled and is ready to heat right out of the box.
