

Kennedy

Introducing Real Flame's exclusively designed Grand Series. The Kennedy represents a new generation of Real Flame electric fireplaces. The 40" (diagonal) Grand Series firebox is 30% larger than our standard firebox, achieving incredible realism and clarity. Generous in scale with distinct columns and contrasting black firebox surround, The Kennedy will be the focal point of the room. Features of the VividFlame Grand Series electric firebox include 1500 watt infrared heating, remote control, programmable thermostat, timer function, brightness settings, and ultra bright LED technology. The Kennedy is available in white and dark espresso finishes.
