### About Materials

Resin wicker is made of synthetic polyethylene material. Unlike its alternative, natural wicker, resin wicker is durable and elastic, providing a comfortable seat that will resist weathering and last.

### Care Instruction

Resin wicker requires minimal maintenance, as it is resistant against the sun's UV radiation, humidity and water. To clean, wash with mild soap and water.

### Warranty

Oxford Garden warrants all outdoor furniture and accessories to be free from manufacturing defects in materials and workmanship. Provided the furniture is assembled correctly and is subjected to normal use, Oxford Garden will cover your outdoor furniture under the following five, three and one year warranties.
