

10 INCH AND 12.5 INCH CAST IRON GRILL GRATE FIT COMBINATIONS

10 and 12.5 inch Cast Iron Grill Grates can be used by placing on top of any existing grill grate, or purchase and combine multiple cast iron grates to entirely replace existing grates on your 34 Series or 22 Series grill, or replace one or both of the side grates on your Select Series grill. See fitment combinations below by grill size.
