

BIM44G

33" x 14.5" x 23.5" (H x W x D)

15" wide built-in undercounter NSF-listed clear icemaker with automatic defrost and internal pump

Highlights:

Flexible design allows built-in or freestanding use

Automatic defrost saves on user maintenance

Slim 15" width fits any tight spot

Stainless steel door includes professional handle

Product Features:

Commercially approved	NSF listed for use in commercial establishments
ENERGY STAR qualified	Certified as a batch-type commercial icemaker for its efficiency
Built-in pump	Internal pump allows more flexibility in placing the unit
Reversible door	Keep your options flexible with a reversible door that is easy to switch when your arrangement changes; Unit ships LHD but can be reversed in our factory or by the user
Automatic defrost	Reduced maintenance with auto defrost system
Built-in capable	Make the best use of space by installing your icemaker under the counter and flush with other cabinets
Stainless steel door	Professional styling with lasting durability
Professional towel bar handle	A curved handle in brushed stainless steel offers an easy grip
Fully finished black cabinet	Allows the icemaker to be used as a freestanding model
