

33" Self-trimming Electric Firebox

DFG3033

Product Description

- 120 volt plug-in widescreen electric firebox with thermostat controlled fan-forced heater
- Patented electric flame technology
- Light shines and reflects off the asymmetrical-sized glass pieces creating an effect that is as alluring as it is contemporary
- Year-round comfort - operates with flame only or flame and heat
- Clean, self-trimming design – no separate trim required
- Adjustable interior light and flame speed control
- Contains removable plug kit for direct wire applications
- 120 Volts / 1,000 Watts / 3,415 BTU

Accessory

- WRCPF-KIT – Wall switch remote control

Includes multi-function remote control
