

ASSEMBLY INSTRUCTIONS

(For LD1031W Party Bar)

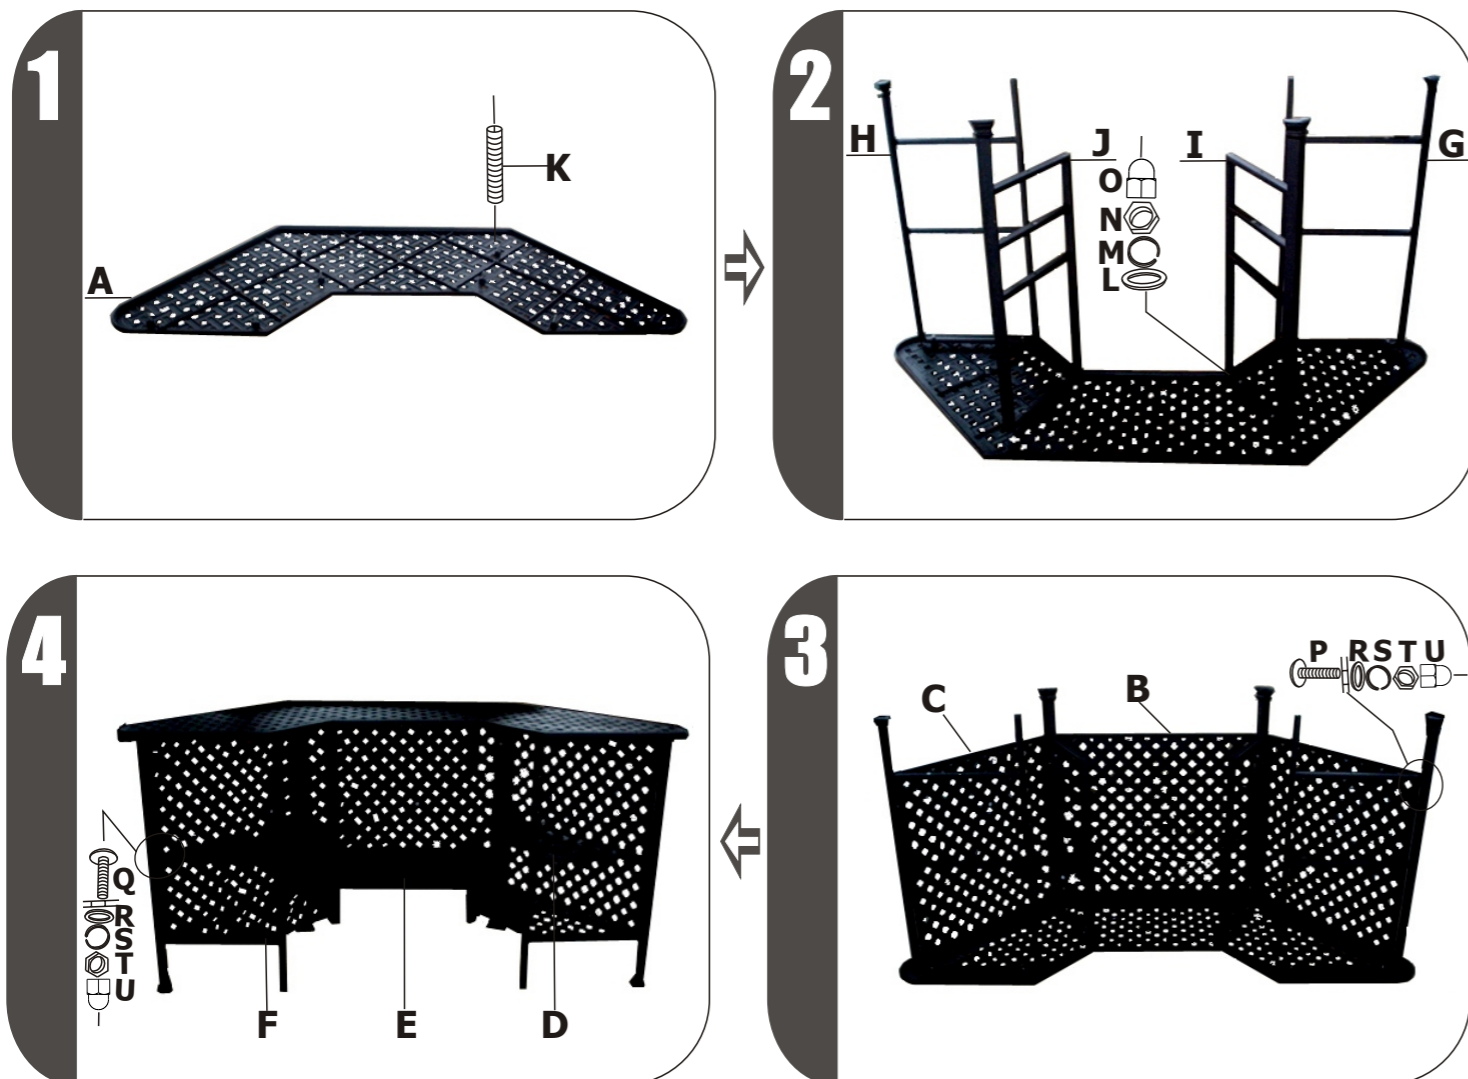

ATTENTION:

1. Please read these instructions carefully before assembly.
2. Aluminum is soft metal over tighten may strip thread or break the part.
3. DO NOT use power tools.

Assembly step:

1. Turn the table top(A) upside down on the soft clean surface. Loosely attach 8 bolts(K) to the table top. Tighten the bolts at this time.
2. Loosely attach the 2 side legs(G&H) and 2 middle legs(I&J) to the table top(A) with big flat washers(L),big lock washers(M) and big nuts(N). DO NOT tighten the nuts.
3. Loosely attach the side faceplate(C) and middle faceplate(B) to the legs with short screws(P),small flat washers(R), small lock washers(S) and small nuts(T). DO NOT tighten the nuts. Leave enough play for assembly those table faceplates.
4. Turn the party bar upon the floor. Attach right shelves(D), middle shelves(E)and left shelves(F) to the side faceplate(C) and middle faceplate(B) with long screws(Q), small flat washers(R),small lock washers (S) and small nuts(T).
5. Tighten all the bolts and nuts completely, then cover the bolts (K) with nut cap(O) and cover the screws (P&Q) with nut cap (U).DO NOT over-tighten.
6. Use the adjuster feet to level the party bar.

Warning : please do not use acid or alkaline washing liquid to clean the product.

Parts	Pictures	Description	Q'ty
A		Table Top	1
