Assembly Instructions

(FOR DL30-LE)

ATTENTION:

1. **DO NOT** use power tools or over-tighten hardware during assembly.*
- *Aluminum is soft metal, so over-tightening may strip threads or break the parts.
2. Please read these instructions carefully before assembling.
3. During assembly, place furniture against soft surfaces to avoid scratching the paint/ metal.

ASSEMBLY STEPS:

1. Place the **TABLETOP (A)** upside down onto a clean and soft, non-abrasive surface.
2. Screw the short side of the **HEADLESS BOLTS (F)** into the holes of the **TABLETOP**.
3. Loosely secure the **LEGS (E)** to the **TABLETOP** using **FLAT WASHERS (G)**, **LOCK WASHERS (H)**, and **NUTS (I)**. *Do not tighten at this time.
4. Loosely secure the **LONG AND SHORT CENTER PLATES (C & D)** to the **LEGS (E)** using **FLAT WASHERS (G)**, **LOCK WASHERS (H)**, and **NUTS (I)**.

*****CAUTION*****

When securing the center plates to the legs, the FLAT side of the center plate always goes on to the leg first. The CURVED side of the adjacent center plate goes onto the leg AFTER the FLAT side is on.

5. Progressively tighten all nuts and bolts.
6. Turn the table onto its legs.
7. If needed, you may use the adjustable feet to level out the table.

EXTENDING THE TABLE:

1. Make sure the table is level.
2. Look for the four holes underneath the tabletop. To extend the table, pull out the bolt as shown in the diagram, and pull the two table pieces apart.
3. Place the **EXTENSION LEAF (B)** into the center of the table and position the left and right pieces so that their edges match exactly with the leaf. Then, properly insert the bolts back in.
4. If you find that the **EXTENSION LEAF** is not level, you may adjust the feet found underneath the extension leaf to adjust the height.
5. Use the **SMALL HEADLESS BOLTS (J)** and **PLASTIC NUTS (K)** to lock the **EXTENSION LEAF** in place.
6. To close the tabletop, pull out the bolts again and then push the left and right tabletop pieces together. Make sure the edges match exactly before inserting the bolts back in.

CARE INSTRUCTIONS:

Please **DO NOT** use acid or alkaline washing liquids to clean this product. Harsh cleaners can cause the powder-coated finish to stain and fade. Use a soft towel with mild liquid soap and water to clean the product, and dry with a soft cloth.
