

Silhouette SELECT.

Dual Zone Wine Cellar ~ DWC153BLSST

Features

- Silhouette Select's fashionable built-in wine cooler comes with 5.4 cu. ft. of space and can hold up to 51 bottles of your favourite red, white, sparkling, and rose wines in two separate compartments
- A front-mounted exhaust allows for built-in applications
- The cabinet-depth unit features two distinct controlled temperature zones that can be managed independently
- The wine cooler's well-designed, all-black interior admirably reproduces the look of a traditional wine cellar
- The LED display features a high-tech digital thermostat that offers provides you with precise readings
- Silhouette Select's cooler can easily and quickly be set to any temperature between 39°F and 64°F (4°C-18°C) depending on your personal wine-tasting preferences
- A temperature-memory function enables the unit to restore its settings after power failures
- The unit features a state-of-the-art alarm system which sounds if the door isn't closed properly and if there are any extreme fluctuations in the inside temperature
- Our frost-free, fan-forced refrigeration cooling system will provide the cooler with a more consistent internal temperature than an automatic-defrost unit
