

Wine Cellar ~ DWC276BLS

Features

- The interior and outer cabinet of the unit recreates traditional wine cellars with its attractive all-black design
- Silhouette Select's slim 12-inch width makes this chic wine cooler ideal for apartments and condos
- The front-mounted exhaust allows for built-in applications as well
- Up to 27 bottles of wine can be cooled in the 2.52 cu. ft. storage area
- The unit's temperature can be programmed accurately via the user-friendly precise digital thermostat that comes with an easy-to-read LED display screen
- Your wine will be well taken care of with interior temperature ranges that can be electronically programmed between 39°F - 64°F (4°C - 18°C)
- The informative electronic LED screen displays temperatures in both Fahrenheit and Celsius scales
- Temperature fluctuation inside the wine cooler, which is common in automatic-defrost models, is limited due to the efficient single-zone, frost-free system in use
