waterlines to angle stops.
Tighten both ends of waterlines
with a wrench until snug. Turn
on hot and cold angle stops
and check for leaks

Check for leaks at the
connections. Retighten if
necessary

CARE AND MAINTENANCE

- Clean periodically with a soft cloth. Avoid abrasive cleaners, steel wool, and harsh chemicals as these will dull the finish and void your warranty.

WARRANTY

Products made by BBQ Guys are manufactured with superior quality standards and workmanship and are backed by our limited lifetime warranty. Our limited lifetime warranty covers all residential applications and our limited one-year warranty covers all commercial applications. We will replace free of charge any product or parts that proves defective. Our warranties are extended exclusively to the original purchaser or owner covering defects in material and workmanship. Damage caused by accident, misuse, or abuse is not covered by this warranty, as is damage done by disregarding the care recommendations provided in the installation instructions, or improper installation. This warranty may not cover products not installed by a qualified professional installer. Our warranty covers replacement of the defective product only and does not cover installation or other consequential costs or damages. Proof of purchase from the original consumer purchaser might be required for warranty claims. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusions of limitations of incidental or consequential damages, so the above limitations or exclusions may not apply to you. For warranty claims or questions, contact BBQ Guys at 1-888-982-0141. All measurements are approximations and should be used for reference only. BBQ Guys reserves the right to make specification changes without notice or obligation, and to change or discontinue models and finishes. All rights reserved. © BBQ Guys 2022.
