

KNIFE SHARPENING

\$4²⁵ Per Knife

WÜSTHOF USA, Inc. offers a world-class blade sharpening service that will sharpen and restore the correct geometry to your WÜSTHOF blades. Each item is individually inspected and assessed, then serviced using a comprehensive four-step refurbishment process. This process can be performed on fine edge, as well as serrated blades.

Please fill out this card and send it with your knives and a check (\$4.25 per blade) payable to WÜSTHOF USA, Inc.

Sharpened knives should be returned to (your name/address/phone):

(See back for shipping instructions)

SHIPPING INSTRUCTIONS

Please ship knives and check to: **WÜSTHOF USA, Inc.**

Attn: Sharpening
333 Wilson Avenue
Norwalk, CT 06854

- Please wrap your knives securely in newspaper or bubble wrap with extra packing material to keep them secure. For the safety of the package handlers send them in a sturdy cardboard box. Do not use padded envelopes.
- Do not use tape directly on the blades and handles. Tape can leave a residue that is unsafe for our team to remove. Due to this safety hazard, knives received with tape on the blade will be returned with residue still on the item.
- Please do not send personal items with your knives that you wish to have returned—this includes blade guards, towels, and any other items used for protection.
- Please ask your preferred mailing/shipping company to provide you with a tracking number.
- Please make sure to clean your knives thoroughly before returning them for sharpening or service.
- Please only send products manufactured by WÜSTHOF. Products not made by WÜSTHOF will be immediately returned to you.
