### Assembly Instructions

<p>1. Place all parts on a clean soft surface.</p>	<p>2. Put the screw(H) into the reverse side of the screw hole. Attach four table legs(D) to the contact points on the table top(A) with Washers(E), Spring Washers(F) and Nuts(G). (Do not over tighten).</p>	<p>3. First put the leg support(B&amp;C) mark Dented and then attach the other end mark Sloped Support Panel together. Affix the leg support(B&amp;C) to the table legs with the washers(E), spring washers(F) and nuts(G)((Fig.1). (Do not over tighten). Repeat the same process for all 03 contact points of the Table Legs and the Legs Support Panels.(please note the direction of the flower pattern of leg support B&amp;C)</p>	<p>4. Turn the table right side up. Adjust the pre-installed adjustable plastic feet (I) at the end of each table leg until the table is level with the ground. Securely, tighten and fasten all the nuts. Your table is ready for use.</p>
