

TIMBERWOLF®

NWFPMTI-SS | NWFPMTI-PHM | NWFPLTI-SS |

Smokeless fire pit

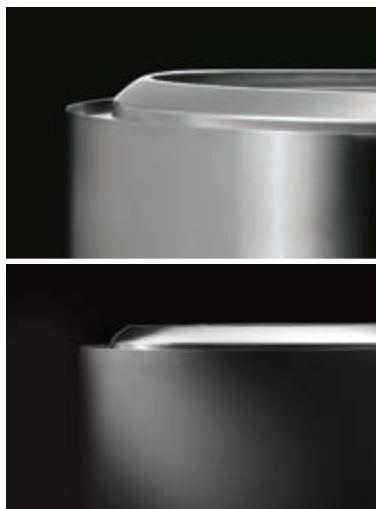

The Timberwolf® Smokeless Fire Pit is designed to provide the warmth of a fire with less smoke, making your outdoor gatherings more enjoyable. Lightweight and easy to move, the Timberwolf® is perfect for any setting. Whether you're relaxing in your backyard or heading out on a camping adventure, this fire pit is ready to accompany you. Its innovative dual-layer burn zone enhance performance during start-up and burn-down, ensuring a consistent and reliable fire every time you light up. The Timberwolf® comes fully equipped with a base ring, cover, spark screen, carry handle, and poker, providing everything you need for a safe and enjoyable experience. Fuel it your way—whether it's wood, pellets, or charcoal for cooking, you can choose the option that works best for your fire. The Timberwolf® is the perfect addition to your backyard, allowing you to match the aesthetic of your Napoleon® Grills.

Features

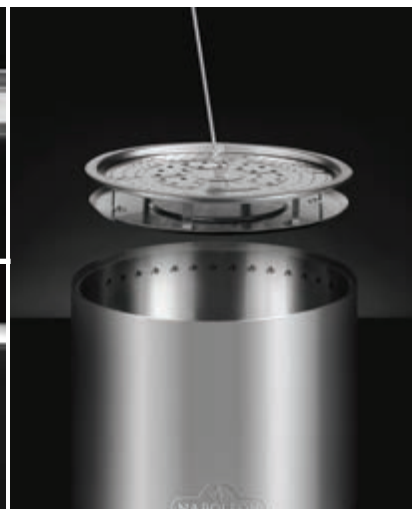

- Portable and easy-to-use
