

## **Ohio Flame: Fire Globe™ Line 2013: Peace, Happiness, Tranquility**

The “**Peace, Happiness, Tranquility**” Asian Inspired Fire Globe™ by **Ohio Flame** is a unique Fire Feature and artistic sculpture designed to bring the serenity of Asian design to your outdoor space. This elegant Fire Globe™ displays a triptych of Japanese kanji for “**Peace**”, “**Happiness**” and “**Tranquility**.” The design mimics the Japanese paper lantern and features a hinged access door with a handle. As part of the **Skillman Signature Series**, this creative Fire Feature is the creation of local artisan, Matt Skillman. He handcrafts each of these unique Fire Globes™, ensuring that they are built with quality and durability.

With no parts to break or wear out over time, this Artisan Fire Globe™ is built to last a lifetime. “**Peace, Happiness, Tranquility**” is crafted from thick carbon American steel that is sourced from local steel mills. No maintenance is required for this Fire Globe™, as it’s designed to withstand the elements year-round. “**Peace, Happiness, Tranquility**” features a substantial Rain Drain to allow for water drainage. The “*Patina Finish*” features a natural iron oxide patina that will gradually darken over time. This Fire Globe™ is 100% American Made and is crafted by a local artisan. “**Peace, Happiness, Tranquility**” is backed by **Ohio Flame’s Lifetime Warranty**, guaranteeing that the Fire Globe™ will last a lifetime.

(**Lifetime Warranty** guarantees that your Fire Globe™ will not rust through in your lifetime. Warranty applies to the structural integrity and durability of the steel bowl and welds. No warranty is offered on screens, grates, hinges, paint or finishes. Altering the product or using the Fire Globe™ in any way other than intended will void the manufacturer’s warranty.)
