White Pearl deluxe electric range with clock/timer, storage compartment, black glass oven and window with light in slim 20" width

Highlights:

- Thin-line design gives you full cooking power in a slim-fitting model
- Safe heating and easy clean-up on a smooth ceramic glass top
- Superior construction of resilient white porcelain and enamel steel looks great in any kitchen
- Fully-featured to make cooking stress-free

Thin-line design	Limited space is no problem for our thin-line models, designed specifically for those hard-to-fit spots without sacrificing cooking capacity. The 2.62 cubic foot oven cavity is one of the industry's largest on a 20" range
All steel and porcelain construction	Made from the best, the White Pearl ranges have classic style on the outside and proven durability inside
Backsplash	High backing prevents stovetop contents from splashing up or boiling over and staining walls
Glass oven window door	Monitor your baking through a clear window fitted with heavy duty hinges
Digital clock and timer	Put your energy into cooking, not counting, with these useful digital features
Oven light	Watch your pies brown with the convenient interior light
Storage compartment	Save even more space by storing your pots and pans in the bottom slide-out drawer
Smooth ceramic glass top	Cut the stress by preventing a mess. The smooth glass top is easy to clean because food and spills have nowhere to hide.
Four cooking zones	Use one 8" and three 6" cooking zones for your stovetop heating
Hot surface indicator light	Prevent accidents with this safety feature that illuminates the cooking zones in bright red when the surface is hot
