

**Fisher & Paykel**

## ActiveSmart™ Refrigerators RF135B Series

### ActiveSmart™ System.

Independent fans and sensors ensure faster cooling and freezing and even temperature distribution for the ultimate in food care.

### Humidity Control System.

A specially designed lid seals the fruit & vegetable bins, creating a humid environment that prevents produce drying out. The lid also retains moisture to prevent rotting. The dual humidity slides allow you to set the bins to fruit or vegetable settings.

### Counter Depth.

Fits flush with cabinetry or freestanding with a silver cabinet.

### Superior Ergonomics.

Quality extension runners allow you to fully slide the freezer and produce bins in and out, for easy loading and unloading.

### Filtered Ice & Water\*.

Convenient external water and internal ice dispensing takes up no valuable storage space. The external electronic interface provides features such as Bottle Chill and Fast Freeze on Ice & Water models.

### All the extras.

Glass shelving, door alarms and EZKleen stainless steel door with concealed hinges for a sleek finish.
