

OCEAN CLUB

Outdoor Living today has become a natural extension of your indoor space. Tommy Bahama, the number one name in casual living, offers designs across a wide range of styles. The finest materials, meticulous craftsmanship, and custom options allow you to create an environment that is uniquely yours.

Choose from 175 performance fabrics with the same soft hand, rich colors and vibrant patterns as indoor upholstery – complete with trims, fringes and designer options. Our proprietary Weatherguard™ cushions are both weather resistant and ultra-comfortable. Every item is hand crafted, with artisan finishes that will dare you to distinguish outdoor designs from fine indoor furniture.

Ocean Club features a captivating fusion of East-meets-West styling, with soft contemporary lines. The collection features two lifestyles – Resort and Pacifica – that blend effortlessly in designing your outdoor living space. Resort (Series 3120) features a contemporary Asian lattice design, with tabletops that emulate the look of crushed bamboo. Pacifica (Series 3130) highlights the natural look of woven rattan. A blending of the two styles captures the essence of refined island living.
