

WEATHERIZED

OUTDOOR TVS

2 Year Standard WARRANTY

Weatherized TVs Converted SONOS Speakers are not your standard outdoor speaker, but very complex units that are re-built to last outdoors all year round.

All Weatherized Converted SONOS Speakers are protected by the best hydrophobic coating technology on the market to protect each unit from the outdoor elements.

Our proprietary design and coating allow our Weatherized Converted SONOS Speakers to handle most outdoor environments, i.e., wet, dry, or cold conditions.

1. Outlets must be rated for use Outdoors (will void warranty if not used).
2. If the outlet does not have surge protection, you must add one to insure protection from power surges.
3. Do not submerge any Weatherized Converted SONOS Speakers in water.
4. Do not alter any Weatherized Converted SONOS Speaker.
5. It is recommended to cover the unit when not in use to protect from debris & discoloration that can occur overtime.
