

**WINE COOLER BOTTLE CAPACITY**

This chart is provided as a general guide to bottle sizes. Everyone's collection is different and there are many different bottle sizes and shapes on the market. The bottle capacity listed for Vinotemp wine coolers is for standard Bordeaux 750 ml bottles which are approximately 2.75" in diameter. Storing large and/or oddly shaped bottles (including champagne and sparkling wine bottles) will decrease the number of bottles you are able to store in your wine cooler.
