

CLEANING, CARE AND WARRANTY

FOR 36" FIRE TABLE FRAME, CABINET AND COMPONENTS

CLEANING AND CARE FOR FIRE TABLE FRAME AND CABINET:

Thank you for your Lakeview Outdoor Designs 36" Fire Table purchase. We recommend regular care and cleaning of your Lakeview Outdoor Designs fire table to promote product life.

- Routine cleaning consists of rinsing away dirt and debris. Follow this by gently wiping with a damp, non-abrasive cloth or sponge using warm water. Followed by towel drying to prevent water spotting.
- If additional cleaning is necessary, mild soap can be used. Caution - The use of Solvents, Abrasives, or Powdered Detergent will damage the product's finish.
- Always test any cleaning solution in an inconspicuous area before applying to the entire product.

CAUTION- Ceramic materials, and other abrasive textures, can cause damage to painted surfaces.

CAUTION - Appliance and stainless-steel cleaning solvents are harmful to your fire table finish and should not come in contact with the powder coated surface at any time if using these products, spray onto a cloth and only wipe on stainless steel surface which consists of burner and pan. The internal base and pull out propane tank tray of product are bare aluminum and should only be cleaned with mild soap and water.

Do not store objects on the surface for any extended periods of time as these can trap moisture and debris. Do not place hot items directly on any part of the surface. Damage created by hot items can be minimized by cleaning and buffing, but will typically never be eliminated. This type of damage will not be covered under warranty.

Minimize the natural aging of your product by storing your cabinet in a dry, shaded area to reduce fading. Light or superficial scratches to the finish are likely to occur during normal use and do not affect the integrity of the product.

LIMITED 2 YEAR WARRANTY FOR 36" LAKEVIEW OUTDOOR DESIGNS FIRE TABLE FRAME AND CABINET:

Lakeview Outdoor Designs warrants to the original consumer, 2 years from date of purchase, that the products shall be free from defects in manufacturing, materials, and workmanship under normal, non-commercial use.

General Warranty Guidelines:

The warranty does not cover products that are misused, abused, mishandled, improperly cleaned, improperly installed, improperly stored, changed, modified, used commercially, acts of God or normal wear and tear. This warranty is not valid for products used for any purpose other than the purpose for which they were originally intended. This warranty does not cover the cost of installation, removal, subsequent damage or transportation of defective product, regardless of whether the work was performed by a contractor, service company, or the consumer.
